Dear Mr. Yardum,

Your letter of the 10th has been forwarded to our new address.

I haven been and I am continuing my work. I have three books in limited editions but not printed and available generally. Several more are in the works. With no resources, it is not easy.

Because I do not know which of the printed books you have I enclose a list.

Sorry I haven't time for lengthier response.

Sincerely,

Harold Weisberg
